November 11, 2026

Dear NLSD122 Families,

November invites us to pause and reflect on the people who enrich our lives and strengthen our community. Today, on Veterans Day, we extend our heartfelt gratitude to all who have served in our military. Their courage and sacrifice deserve our appreciation today and every day.

In our schools, November also brings parent-teacher conferences, an opportunity to celebrate our students' growth and strengthen the partnership between home and school. We look forward to connecting with you in the coming weeks and celebrating your child's progress together. If you have not yet signed up for Parent/Teacher Conferences, please do so by Friday, November 13. Here is the link for Conference Scheduling.

Below are a few additional NLSD122 updates:

TRANSPORTATION UPDATE
We are partnering with TransPar, a transportation consulting firm, to review Lincoln-Way 210 bus services and identify ways to improve reliability while planning for next year's transportation needs, including full day kindergarten. We will share the findings with families as soon as the comprehensive study is complete.

FULL DAY KINDERGARTEN
With the announcement of Full Day Kindergarten Plans, there have been inquiries. Please refer to the Full Day K FAQ link for answers.
