Cost: \$90.00/new player (includes uniform shirt) \$75.00/returning players

Open Registration: March 1st - April 10th, (or until program is full).

Description: This league is modeled after a Dutch youth soccer development program. The objective is to combine training and skills development with small sided, small field matches. Players will train each week for 45 to 55 minutes and then play a 30 to 45 minute match. Each team will play 3 v 3 or 4 v 4 on a small field with no goalkeepers. Scores will be kept and recorded with every player receiving points based on the number of goals scored by his or her team each week. Players will rotate each week so every week teams will change. The size of each team will vary based on attendance but we will try to adjust the number of players to allow more playing time. All players should wear shin guards and bring a soccer ball (size 3) and water to each session.

Note: Players in the Euro League have the option of also attending Wednesday evening training, same location 5:30 - 6:45 PM for an additional \$55.00 per player for seven dates.
