MESSAGE FROM THE SUPERINTENDENT

March 20, 2026

Dear NLS D Families,

As the last stubborn patches of snow melt, spring is finally within reach! With it comes a renewed energy in our schools and a season full of exciting fine arts events. Our students continue to amaze us, whether singing, dancing, playing instruments, or creating beautiful artwork. We are so proud of their talent and creativity, and grateful to our dedicated fine arts staff who help it all shine. Here is a link to a video of the [122 Drawing Board Art League](#) highlighting some of the District's talented artists from Tyler, Bentley, Haines, and Oakview.

Below are a few timely updates and reminders:

NEW LENOX POLICE WALK THROUGHS:

We are excited to partner with the New Lenox Police Department to begin occasional walk-throughs in our school buildings this spring. These visits will occur during officers' regular duties when available, with no set schedule. The goal is to build positive relationships with students and staff and help officers become familiar with our buildings in case of an emergency. If your child mentions seeing police at school, please know these visits are planned and not a cause for concern. Their presence reflects our ongoing efforts to maintain a safe and supportive environment.

LW210 ZONAR MyView TRANSPORTATION APP

Here is a [link](#) to the step-by-step directions for implementing and setting up the Zonar MyView Transportation app. The app allows parents and caregivers to receive notifications about bus locations based on parent-established zones, optional alerts when the bus arrives at and departs from school, and updates regarding delays or route changes.

SCHOOL BOARD MEETING HIGHLIGHTS:

Here is a link to the [Board Blast](#), which highlights events that occurred at the March Board of Education Meeting on March 19. The School Board is still looking for input regarding the search for a superintendent after I retire at the end of the 26-27 school year. The survey can be accessed at:
