

All Illinois School Board Members must receive training in *professional development leadership* (P.A. 97-8) and the *Open Meetings Act* (P.A. 97-504). Mandatory training will also be required after the new teacher evaluation requirements are implemented in each school district. Mandatory training for trauma-informed practices for students and staff must be completed beginning in the fall of 2023. For additional information, see Board policy 2:120, *Board Member Development*.
