Lori R. Motsch, Ed.D., Superintendent

September 16, 2026

Dear NLSD122 Families,

As we settle into the school year, it is wonderful to see our schools finding their rhythm and families settling into the school year. Each month, we will share important updates and upcoming events. Here are September's highlights.

BOARD BLAST

Read the [September Board Blast](#) for key updates from the September 15 Board of Education meeting.

SENIOR CITIZEN BREAKFAST

We warmly invite our community's senior citizens to our annual breakfast on Wednesday, October 21. Guests will enjoy student entertainment and learn more about what is happening throughout NLSD122. Please help us continue this special tradition by sharing the [invitation](#) with family, friends, and neighbors.

SAFETY REMINDER

Village of New Lenox Ordinance Sec. 90-65 prohibits electric or gas scooters, mini bikes, go-carts, ATVs, motorized skateboards, off-road motorcycles, and other motorized vehicles on school property. Families are invited to attend the free virtual Ride Smart event on September 17, sponsored by the New Lenox SAFE Community Coalition; see the attached flyer for details.

CYBER SAFETY RESOURCES

Families of students in grades 4–8 may access the District's Cyber Safe Schools video resources. These videos are intended for parent use and are not shown at school. If you plan to watch the student series with your child, we recommend previewing it first.

PTO EVENTS

- **PTO Meeting:** September 17 at 9:30 a.m., Nelson Prairie
- **Read-A-Thon:** Begins October 5. This annual event is the PTO's major fundraiser and inspires a love of reading among students in Pre-K through sixth grade. Registration details will be shared in the coming weeks.

TRANSPORTATION

We recognize that transportation has been inconsistent for some families at the start of the year, and we appreciate your patience. We continue to work closely with LW 210 Transportation to resolve these concerns. View the instructions for installing the [Zonar MyView App](#). For assistance, email myviewquestions122@lw210.org.

Thank you for your continued partnership and support.

Sincerely,

Lori Motsch

RIDE SMART:

E-Bikes, Scooters & Golf Carts

E-bikes, electric scooters, and golf carts are becoming increasingly popular with kids and teens - but with their growing use comes important rules, risks, and responsibilities every family should understand.

Whether your child already rides or is asking for one, come learn what you need to know to help them Ride Smart and stay safe!

- ◆ **Know the Rules** – Illinois laws, age requirements & New Lenox regulations
- ◆ **Ride Safely** – Helmets, rules of the road & responsible riding
- ◆ **Understand the Risks** – Insurance, liability & battery/charging safety
