How to Access Your Child's Grades

If you are new to [grades](#) and PowerSchool, here are some quick videos to teach you and your family how to [navigate and monitor](#) PowerSchool. If you need help with login information, a sticker has been placed inside your child's assignment book. Per district guidelines, your child will never receive less than a 50% for any assignment. He/she may redo classwork that is less than 70% within a one week period of grade being posted.

We would like you to join us in showing our school spirit by participating in MARVELOOUS Mondays! Each Monday we encourage staff and students to wear Green and silver, Oakview Spirit Wear or super hero shirts! We look forward to celebrating MARVELOOUS Mondays every Monday!
