We started reading and exploring our book, Where is Home, Little Pip? We identified the characters, setting, and acted out the vocabulary words. We completed our Number Notebook, writing and drawing numbers 1-10. We focused on the letters "Pp" and "Nn" this week!

## LEARNING FOCUS

**ELA-** We are learning about the letters "Cc," "Kk," and "Ee." We will recognize them, learn their sounds, build them, write them, and draw objects that begin with them in our journals.

**Math-** We will be getting to know triangles, practicing one-to-one correspondence, and introducing the concept of adding and taking away.

**Heggerty-** We are increasing recognition of letter names.

**Science-** We will begin a unit on apples. We will learn about the different parts of an apple and count apples.

**Technology-** All classes are beginning to explore some of the programs on the iPads during school. Please charge your child's iPad every night and send it to school each day.

**ReadyGen-** We will continue analyzing Where is Home, Little Pip? We will sequence the story, complete a writing assignment, and draw our family.
