

# OCTOBER NEWS

## A NOTE FROM THE TEACHER:

We learned about the letters “Mm” and “Dd” this week. We read the non-fiction story Life In A Pond, wrote about things we find in a pond, and made our very own ponds. In math, students used playdough to make numbers on a ten frame and put numbers 0-20 in order.

## EVENTS

10/11 **No School-** Columbus Day/Indigenous Peoples Day

10/12 School Store Fundraiser begins

10/14 Picture Day 😊

10/19 School Board meeting- 6 pm at District Office

## REMINDERS

\*Please be sure your child has an extra mask in his or her backpack. Thank you!

\* Toys (including Pop-Its) should be kept at home. They are distracting to the students and we don't want any toys getting lost. Thank you for your help with this.

\*We will continue to go outside as the weather gets cooler. Please make sure your child has appropriate clothing for the outdoors.

## LEARNING FOCUS

**ELA-** We are learning about the letters “Gg” and “Oo”. We will recognize them, learn their sounds, build them, write them, and draw objects that begin with them in our journals.

**Math-** We will use ten frames to make combinations of ten, we will make a graph, and we will revisit shapes and pattern blocks.

**Heggerty-** We are counting the number of words in a sentence.

**Science-** We are going to learn about leaves changing colors in Autumn.

**Social Studies-** We are going to learn about different kinds of forests & how/why leaves change in the seasons.

**SEL-** Our focus this week is on listening and being a kind friend.

**ReadyGen-** We will read different fall stories and work on story elements.

**Technology-** Please charge your child's iPad each night. Thanks!
