Mrs. Maguire's News You Can Use November 1-5

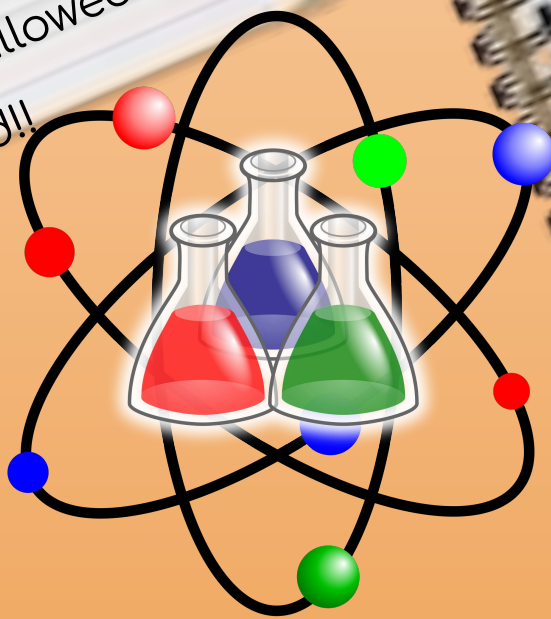

Mrs. Berwanger's Science/Social Studies Class

We will start working on our "Social Studies Alive!" book. We will begin Monday by previewing new vocabulary. We will continue working on Lesson 1-Geography of the United States throughout the week. My hope would be to test Friday, however, that may be pushed to the following week. Unit 1 Science workbooks were sent home. Those could be kept or recycled. I hope everyone enjoyed their Halloween weekend!!

Mrs. Berwanger's Math Class

We will continue to work in the Everyday Math book. Chapter 2-Whole Number Place Value and Operations. When using the student portal if you click on the app McGraw Hill you could play games and watch videos that will help understand concepts. We will be taking Chapter 2 test sometime at the end of the week. Be sure to check assignment notebooks.

Instructional ELA

At Home Practice and Reading

Students are able to practice their reading skills in various ways at home. They can log onto iXL through the NLSD tech portal and practice skills chosen for them from the diagnostic test. They can also use the Raz Kids app on their ipads and read stories at their personalized level with practice comprehension questions. The Oakview library also has audiobooks that they can listen to from their ipads.

Mrs. Deckinga's Instructional ELA Class

This week we read short stories about humans impact on nature and wildlife. Next week we will be review vocabulary from our first unit novel and taking the Unit 1 assessment.
