# Mr. Cavazos

Hello Parents!

Here is what we worked on this week! (Nov. 8 - 12)

Homeroom Students:

Math - We are working on extended multiplication facts and the partitioning rectangle multiplication strategy.

Science - We continued to study structures in animals for the senses.

Social Studies - We are starting to read about the Southeast Region of the U.S.

Afternoon Students (English Language Arts)

We are reading the story "Why the Sea is Salty", and looking at words with the prefixes DIS, RE, and NON.

Here is Spelling List #12 for November 15 - 19:

to, two, too, piece, peace, break, brake, there, they're, their  
threw, through, by, bye, beat, beet, thrown, throne, aloud, allowed

Have a nice weekend!

Mr. Cavazos

# Mrs. Kettelson

## Vocabulary

Survive-live, thrive

Spongy-soft

Ability- power, capability

Vary-differ, diversity

Hollow- Empty

Sturdy- strong, durable

Fossils- bones, remains

Ancient- old, aged, antique

Detach- separate

Tissue- marrow, skin, bone

Segments- sections, parts

Armor- covering, protection

## This Week's Learning

Reading- We are reading "Skeletons". We worked on analyzing key words and phrases and identifying key details that support main points.

Grammar- Students continued to learn about pronouns.

Writing- Students summarized and illustrated a researched topic.

## Lesson 11 Spelling

# Mrs. Lane

## Mrs. Lane's 4th Instructional

ELA: We finished *Sahara Special*. We will be starting our next unit, *Knucklehead*. We will focus on why we need to be cautious about the media. We will continue to build on setting a purpose for reading and predicting what our text will be about. Homework is completed in class. Students can work on [ixl.com](https://www.ixl.com) for English Language Arts or read a book at home to keep up with fluency skills.

## Mrs. Lane's 4th

Instructional Math: We will continue working out of the EveryDay Math curriculum at the student's individual level, to meet IEP goals. Students will also be progress monitored to collect data for their individual IEP goals. We will use [ixl.com](https://www.ixl.com) and reflex math as interventions. I would encourage [ixl.com](https://www.ixl.com), math or reflex math at home, to keep up with skills.

# Mrs. Berwanger

## Science/Social Studies

Any materials from Unit 1, Lesson 1 should stay home. We started working on Lesson 2 and plan to test by Thursday. Any Science materials that are in the blue folder, please take them out. It is important to clean out all materials after each lesson so students can focus on the specific lesson being taught.

## Special Education Teacher

Mrs. Berwanger

## Psychologist

Brittany Bernard

## OT
