Mrs. Berwanger's Science/Social Studies Class

Any materials from Unit 1, Lesson 1 should stay home. We started working on Lesson 2 and plan to test materials that are in the blue folder, please take them out. It is important to clean out all materials after each lesson so students can focus on the specific lesson being taught.

Mrs. Berwanger's Math Class

We will begin working on Chapter 3 in our Everyday math book. When using the student portal if you click on the app McGraw Hill you could play games and watch videos that will help understand concepts. Please help your child clean out folders weekly. I will be sending goal work home this week that was worked on throughout trimester 1.

Instructional ELA

At Home Practice and Reading

Students are able to practice their reading skills in various ways at home. They can log onto iXL through the NLSD tech portal and practice skills chosen for them from the diagnostic test. They can also use the Raz Kids app on their ipads and read stories at their personalized level with practice comprehension questions. The Oakview library also has audiobooks that they can listen to from their ipads.

Mrs. Deckinga's Instructional ELA Class

This week we started our new unit and novel, Don't Call Me Hero in iLit.

Students have used their predicting and visualization skills while we have started reading chapters 1-4. We are also looking at the new vocabulary and using it in context.
