## Mrs. Lane's 4th Instructional

ELA: We finished *Sahara Special*. We will be starting our next unit, *Knucklehead*. We will focus on why we need to be cautious about the media. We will continue to build on setting a purpose for reading and predicting what our text will be about. Homework is completed in class. Students can work on [ixl.com](https://www.ixl.com) for English Language Arts or read a book at home to keep up with fluency skills.

## Mrs. Lane's 4th

Instructional Math: We will continue working out of the EveryDay Math curriculum at the student's individual level, to meet IEP goals. Students will also be progress monitored to collect data for their individual IEP goals. We will use [ixl.com](https://www.ixl.com) and reflex math as interventions. I would encourage [ixl.com](https://www.ixl.com), math or reflex math at home, to keep up with skills.
