Instructional ELA

At Home Practice and Reading

Students are able to practice their reading skills in various ways at home. They can log onto iXL through the NLSD tech portal and practice skills chosen for them from the diagnostic test. They can also use the Raz Kids app on their ipads and read stories at their personalized level with practice comprehension questions. The Oakview library also has audiobooks that they can listen to from their ipads.

Mrs. Deckinga's Instructional ELA Class

This week we continued reading our novel *Don't Call Me Hero* and continued comparing and contrasting events and characters. We have also worked on identifying the main idea of a passage and using context clues to identify new vocabulary terms. Students will be bringing home their current iXL Diagnostic Action Plan.
