Mr. Cavazos

Hello Parents!

Here is what we worked on this week! (Dec.6 - 10)

Homeroom Students:

Math - We did more multiplication practice using the Lattice Multiplication method.

Science - We started the next science unit about Energy, looking at how weight and speed affect an object's energy.

Afternoon Students (English Language Arts)

We are reading the story "John Henry", and working on compound words and adding the suffix -ly.

We will not have a new spelling list next week. We will review words from previous spelling lists.

Have a nice weekend!!
Mr. Cavazos

Mrs. Lane

Mrs. Lane's 4th

Instructional ELA: We will continue reading, *Knucklehead*. We will focus on why we need to be cautious about the media. We will continue to build on setting a purpose for reading and predicting what our text will be about. Homework is completed in class. Students can work on [ixl.com](https://www.ixl.com) for English Language Arts or read a book at home to keep up with fluency skills.

Mrs. Lane's 4th

Instructional Math: We will continue working out of the EveryDay Math curriculum at the student's individual level, to meet IEP goals. Students will also be progress monitored to collect data for their individual IEP goals. We will use [ixl.com](https://www.ixl.com) and [reflex math](https://www.reflexmath.com) as interventions. I would encourage [ixl.com](https://www.ixl.com), math or [reflex math](https://www.reflexmath.com) at home, to keep up with skills.
