Technology Help

If you experience any technology issues, please email

tech-help@nlsd122.org.

*Sometimes just rebooting your iPad fixes small issues!

Looking Ahead:

January 24-27: Terra Nova Testing

Cleaning out those closets and toy rooms? Lego Club would love donations of legos. If you have any sets missing parts, bulk legos you don't use, or sets that don't get played with any more, we will take them and use them for years to come! Thank you!

Please make sure your students are charging their iPads every night. If your charger is lost or broken, please turn in a tech ticket. We do not have extra chargers in the classrooms for all of the students who are coming in with low battery.
