Week of January 24- January 28th

Reminders for this month...

Terranova Retakes 1/31

Cleaning out those closets and toy rooms? Lego Club would love donations of legos. If you have any sets missing parts, bulk legos you don't use, or sets that don't get played with any more, we will take them and use them for years to come! Thank you!

Please do not remove papers from your child's portfolio unless it is in the back "keep at home" slot.

This Week's Learning

Reading- This week we completed Terra Nova Testing. We also participated in Homeroom Wars. The students created an art project, decorated our door, completed a research project, created a time capsule, and participated in Spirit Day. They did an amazing job!

My second class continued reading "Why the Sea is Salty".

Mrs. Lane's 4th

Instructional ELA: We will finish reading, *Knucklehead*. We will focus on why we need to be cautious about the media. We will continue to build on setting a purpose for reading and predicting what our text will be about. Homework is completed in class. Students can work on ixl.com for English Language Arts or read a book at home to keep up with fluency skills.

Mrs. Lane's 4th

Instructional Math: We will continue working out of the EveryDay Math curriculum at the student's individual level, to meet IEP goals. Students will also be progress monitored to collect data for their individual IEP goals. We will use ixl.com and reflex math as interventions. I would encourage ixl.com, math or reflex math at home, to keep up with skills.
