Technology Help

If you experience any technology issues, please email

tech-help@nlsd122.org.

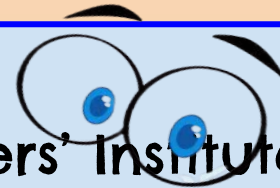

*Sometimes just rebooting your iPad fixes small issues!

Looking Ahead:

Feb. 18- No School/Teachers' Institute
Feb. 21-No School

Cleaning out those closets and toy rooms? Lego Club would love donations of legos. If you have any sets missing parts, bulk legos you don't use, or sets that don't get played with any more, we will take them and use them for years to come! Thank you!

Please make sure your students are charging their iPads every night. If your charger is lost or broken, please turn in a tech ticket. We do not have extra chargers in the classrooms for all of the students who are coming in with low battery.

Mr. Pacholski

Math -

Last Week - Started Topic 5 -
Rates and Ratios - We will
continue this unit next week

Science- Continuing our "Weather
and Climate" Unit

Mrs. Mulder

Math Block 3:

We will be working on Topic 6 for
the week which consists of
percents.

Math Blocks 1, 2, & 4:

Due to the 2 E-learning days, the
Topic 5 part 1 test has been
rescheduled for Monday, February
7. We will spend the rest of the
week on checking, solving, and
setting up proportions.

Students have access to IXL, to
practice skills at home. Please
continue to check Power School as I
update grades daily.

Upcoming Quizzes
February 10 = Unit 3-11

Mrs. Maguire's News You
Can Use February 7-11

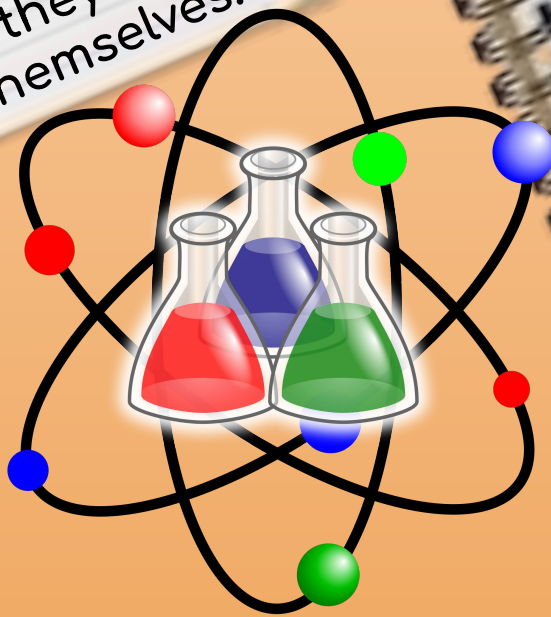

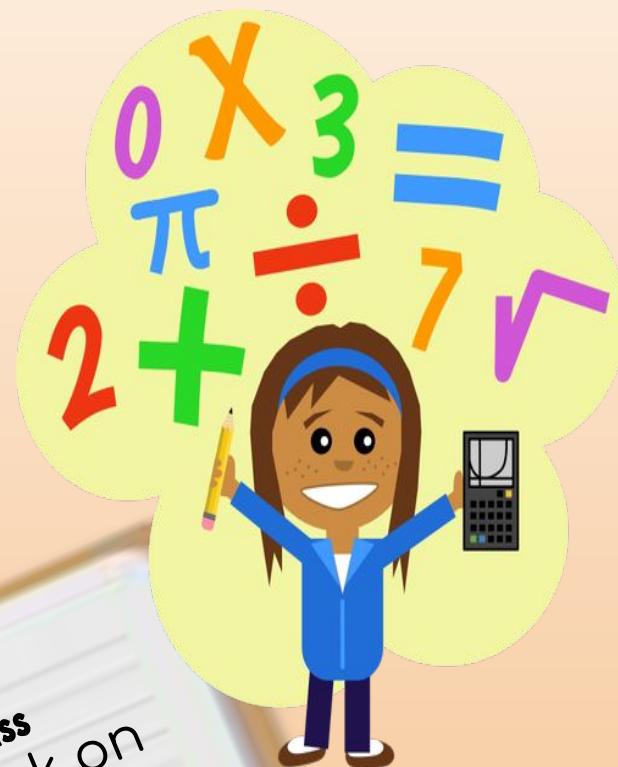

Mrs. Berwanger's Science/Social Studies Class

We will be finishing up Lesson two in Unit two by Wednesday. We plan on testing Thursday. Please read over the lesson and focus most on the highlighted information. We continue to use our resources while taking the test. Additional practice on skills taught using IXL could be found in Google Classroom. If a student was kicked out of the science google classroom, they have the code to add themselves.

Mrs. Berwanger's Math Class

We will continue to work on fractions using our Everyday math book along with Number Worlds. Everyone is working hard at understanding fractions. We will continue to work towards our goals. Students are also practicing multiplication or Division using Rocket Math. Students tested in AIMS. Those reports will go home soon.

Instructional ELA

Coming Up:

We will be starting our third novel of the school year next week and learning about the different Winter Olympic events as the games begin and continue through February 20.

Mrs. Deckinga's Instructional ELA Class

This week was interrupted with a nice snow storm. Students began the week finishing up their sequence of events project and ended the week presenting them to their classmates. We also worked on our editing skills this week by editing sentences and paragraphs with spelling, capitalization, and punctuation errors.
