Technology Help

If you experience any technology issues, please email

tech-help@nlsd122.org.

*Sometimes just rebooting your iPad fixes small issues!

Looking Ahead:

Feb. 18- No School/Teachers' Institute

Feb. 21-No School

March 1 - April 1 - NLPD FOOD DRIVE

March 8-15 - IAR Testing

Please make sure your students are charging their iPads every night. If your charger is lost or broken, please turn in a tech ticket. We do not have extra chargers in the classrooms for all of the students who are coming in with low battery.

Dr. Kedzior

Mrs. Mulder

Math Block 3:

A mid-topic 6 quiz is scheduled for Tuesday, February 15.. We will be spending the rest of the week practicing the percent model.

Math Blocks 1, 2, & 4:

A proportion quiz is scheduled for Wednesday, Feb. 16 We will then focus on conversions.

Students have access to IXL, to practice skills at home. Please continue to check Power School as I update grades daily.

Mr. Pacholski

Math -

Last Week - Continuing our Ratios/Rates Unit.

Next Week - Continuing Topic 5

Science- Continuing our "Weather and Climate" Unit

Please talk to your son or daughter about supplies they may be lacking in class! Pencils - pens - red pens - spiral notebooks.

Mrs. Maguire

Science

Climate Over Time

Social Studies

Geography of Greece

Upcoming Quizzes
February 16 = Unit 3-12

Mrs. Maguire's News You
Can Use February 14-18

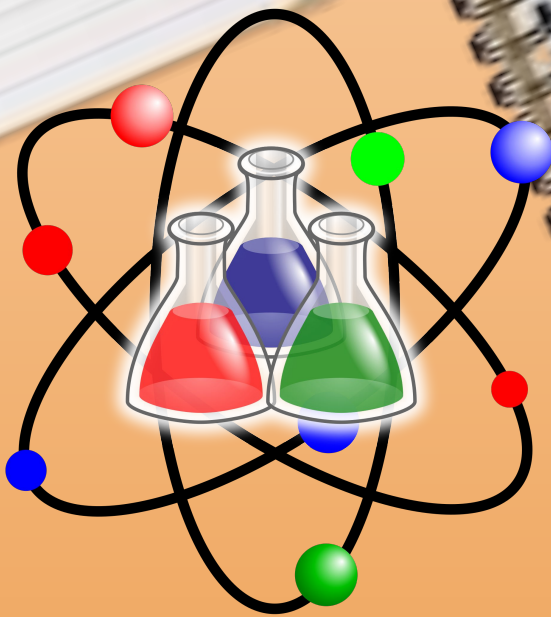

Mrs. Berwanger's Science/Social Studies Class

We are working on Unit 2 Lesson 3 in Science. This week will look a little different. Students will be creating a Google Slide for different types of Earth Surfaces that are created. This is done in a small or whole group. This could be found in google classroom. However, all work will be completed at school. Please don't edit the slides at home since this is a working document among the whole class.

Mrs. Berwanger's Math Class

We will continue to work on fractions using our Everyday math book along with Number Worlds. Everyone is working hard at understanding place value with decimals. We will continue to work towards our goals. Students are also practicing multiplication or Division using Rocket Math.

Instructional ELA

Mrs. Deckinga's Instructional ELA Class

This week we previewed and were introduced to our new nonfiction text *Kids On Strike!* Students previewed the story, pictures, and watched a clip about ways working children advocated for themselves before child labor laws were enforced. Students were introduced to the essential questions, "What makes some people lead the way?"
