Mrs. Lane's 4th

Instructional ELA: We will begin our next unit in iLit, *Night of the Twisters*. We will focus on how we recover and move on after disaster strikes. We will continue to build on setting a purpose for reading and predicting what our text will be about. Homework is completed in class. Students can work on ixl.com for English Language Arts or read a book at home to keep up with fluency skills.

Mrs. Lane's 4th

Instructional Math: We will continue working out of the EveryDay Math curriculum at the student's individual level, to meet IEP goals. Students will also be progress monitored to collect data for their individual IEP goals. We will use ixl.com and reflex math as interventions. I would encourage ixl.com, math or reflex math at home, to keep up with skills.
