Mrs. Berwanger's Science/Social Studies Class

We are moving on to Lesson 7 in Social Studies. We will be comparing the colonies. Students will receive a study guide (similar to unit 6) at the beginning of the lesson. Students should take it home daily to review. The test will be held on Thursday. We are trying to eliminate using resources on the test.

Mrs. Berwanger's Math Class

We will continue to work in our Everyday math book. Students will bring home math journal book 1. Feel free to keep that at home and practice math boxes. We will start book 2 in school. We will continue to work towards our goals. Students are also practicing multiplication or Division using Rocket Math.

Instructional ELA

Mrs. Deckinga's Instructional ELA Class

This week students finished IAR testing. In class students continued identifying new vocabulary in the context of our novel in iLit. Students also worked in iXL on identifying details for a given main idea sentence. They will continue working on correct grammar, capitalization, and punctuation when writing sentences.
