Mr. Cavazos

Hello Parents,

Homeroom Students:

Math - This past week we worked on creating line plots using a set of data.

Science - We are read about how plants can both cause and protect against weathering and erosion to Earth's surface

Afternoon Students (English Language Arts)

This past week we continued the chapter book "Lunch Money"

We will continue Spelling List #23 into next week, and we will have the test on Friday, 4/22: telephone, biography, telescope, photograph, microwave, diameter, barometer, microscope, headphones, microphone, autograph, microchip, telegraph, perimeter, paragraph, phonics, symphony, saxophone, periscope, megaphone

Have a good weekend!
Mr. Cavazos

Mrs. Lane

Mrs. Lane's 4th

Instructional ELA: We began reading, *A Strong Right Arm*. In this unit, we will focus on our essential question, *What connects us to our family and our friends?* We will continue to build on setting a purpose for reading and predicting what our text will be about. Homework is completed in class. Students can work on [ixl.com](https://www.ixl.com) for English Language Arts or read a book at home to keep up with fluency skills.

nlane@nlsd122.org

Mrs. Lane's 4th

Instructional Math: We will continue working out of the EveryDay Math curriculum at the student's individual level, to meet IEP goals. Students will also be progress monitored to collect data for their individual IEP goals. We will use [ixl.com](https://www.ixl.com) and [reflex math](https://www.reflexmath.com) as interventions. I would encourage [ixl.com](https://www.ixl.com), math or reflex math at home, to keep up with skills.
