What's Happening in Our Classrooms	
<p>Mr. Balderman: Science/SS Social Studies: We will be moving on to our final science unit of the year, Space. Social Studies tests are graded and in powerschool. A 69% or lower can be redone. Please have your student grab a retake sheet.</p> <p>Please check powerschool for missing work and grades.</p>	<p>Mrs. Brost: ELA <u>Reading:</u> Unit 2B 'Real Life Superheroes' Novel found in Pearson Realize. Novel: 'War with Grandpa'- in class. <u>Skill:</u> Relationships between historical people/ concepts <u>Foundational Skill:</u> Suffixes -tion and -ion <u>Grammar:</u> Subject Verb Agreement-Inverted Sentences Grammar notes are in the virtual binder in Google Classroom. <u>Spelling:</u> List 28 Latin Roots Test Friday. Assignments are posted daily in the ELA google classroom under "Assignment Book."</p>
<p>Ms. Goad: Math Next week we will continue with Unit 7.</p> <p>We will be Classifying 2-D figures, Using Unit Conversions to Solve Problems, and Studying Geometric Figures.</p> <p>Please check your child's assignment notebook each night to see if they have homework. Also, please ask your child to see their graded assessments.</p> <p>Students should be using IXL and Reflex to reinforce skills.</p> <p>All students have the opportunity to come and see me during WIN time every day to get extra help.</p>	<p>Ms. Midlock: Science/SS/Math <i>SOCIAL STUDIES:</i> We finished our Revolutionary War Unit this week. The unit test was today, students will receive those tests back by the end of next week. Please check PowerSchool for missing work and current grades. We will start our next science Unit on Space next week.</p> <p><i>MATH:</i> This week we reviewed skills for the Unit 6 test that will take place on Monday. Skills on the test include multiplying and dividing by powers of 10, multiplying and dividing decimals, creating and analyzing line plots, and converting measurements. Please encourage your child to practice these skills on iXL this weekend to prepare for the test!!</p>
<p>Mrs. Sieger: ELA</p> <p>Next week in ReadyGEN, we will continue to read Real Life Superheroes and work on our heroes essays. Our spelling list is #28 Latin Roots. The spelling test will be on Friday, April 29th. We are still working on our interactive poetry notebooks also!</p> <p>**Please check that your child has working headphones. We use them almost every day. Thank you!</p>	<p>Mrs. Worden: ELA</p> <p>Next week, we will review our Real-Life Superheroes and review vocabulary. Our test will be on Wednesday, April 27. We will be on Latin Roots, List 28, in Spelling. Our spelling test will be on Friday, April 29. I was out most of this week with the flu, so we will also tie up some loose ends from this week. We started lessons about Earth Day today, and we will continue to learn about our Mother Earth more next week :)</p>
<p>Mrs. Berwanger We are continuing to work in our Science books - Unit 3 "Changes in Matter." We will test next Tuesday. Students have focused on the understanding of the 3 states of matter. Each will have the opportunity to make sugar crystals to demonstrate the process of one activity that involves solid, liquid, and gas.</p>	<p>Mr. Mitrovic ELA - We are continuing to work through our iLit curriculum based on the novel "Frindle," as well as working on ReadLive and focusing on expression and phrasing. MATH - We are combining our knowledge of decimals and fractions to continue working on rounding, reducing, and moving back and forth between decimals and fractions.</p>
