*Sometimes just rebooting your iPad fixes small issues!

Looking Ahead:

School Supplies

Students are already running low on some essential school supplies. Students are coming to class without pencils and spiral notebooks. Please check with your student about what supplies they are missing.

Mrs. Berwanger's Science/Social Studies Class

We are continuing to work in our Science books-Unit 3 "Changes in Matter." We will test next Tuesday. Students have focused on the understanding of the 3 states of matter. Each will have the opportunity to make sugar crystals to demonstrate the process of one activity that involves solid, liquid, and gas.

Mrs. Berwanger's Math Class

We will continue to work in our Everyday math book. We will continue to work towards our goals. Students are also practicing multiplication or Division using Rocket Math. Students are continuing to work hard as a group with fractions. Additional practice at home is very helpful.

Mrs. Deckinga's Instructional ELA Class

In class students have worked on identifying the main idea of a chapter and summarizing the chapter. Students also completed a vocabulary review from chapters 1-6 of our novel. We introduced argumentative paragraphs and will continue those next week. Students are continuing to work on their goals and fluency when reading.
