News You Can Use

ABC Countdown to Summer!

Monday, May 2 - GI Joe and GI Jane Day

Wear Camo to support our troops!!

Tuesday, May 3 - High Five Day!

Do 5 acts of kindness and add your high five to the hallway display!

Wednesday, May 4 - Interest Day!

Share something that interests you with your class during WIN!

Thursday, May 5 - Joke Day

Create a class book of jokes!

Friday, May 6 - Kick it!

Enjoy a game of kickball with your class!

Starting May 9 we will be collecting money for GIGI's PLAYHOUSE. Students can bring in loose change and can also purchase "donuts" to hang on their homeroom door. The class with the most donuts will get a real donut party!

Upcoming Events:

Friday, May 6 - Student Half Day - Teacher Institute in PM

Thursday, May 12 - ONE DAY BOOK FAIR - Students shop during specials.

Friday, May 13 - Gigi's Playhouse Walk

Oakview Eagles are Respectful. Responsible. Safe. Kind.

What's Happening in Our Classrooms	
<p>Mr. Balderman: Science/SS</p> <p>Science: We will be continuing our last science unit on Space. We have been talking about distances in space and how gravity works throughout the universe.</p> <p>Please check powerschool for missing work and grades.</p>	<p>Mrs. Brost: ELA</p> <p><u>Reading:</u> Unit 2B 'Real Life Superheroes' Novel found in Pearson Realize. Test Monday Novel: 'War with Grandpa'- in class. <u>Skill:</u> Main Idea and supporting details <u>Foundational Skill:</u> Suffixes -ous <u>Grammar:</u> Commas Grammar notes are in the virtual binder in Google Classroom. <u>Spelling:</u> List 29 Related Words. Test Friday. Assignments are posted daily in the ELA google classroom under "Assignment Book."</p>
<p>Ms. Goad: Math</p> <p>For the next two weeks...</p> <p>We will be Classifying 2-D figures, Using Unit Conversions to Solve Problems, Studying Geometric Figures, Divide Fractions, Create Graphs and Tables.</p> <p>Students should be reviewing graded assessments, notes and using IXL to practice for the upcoming assessments on Thursday, May 5 and Friday May 13.</p> <p>All students have the opportunity to come and see me during WIN time every day to get extra help.</p>	<p>Ms. Midlock: Science/SS/Math</p> <p>SCIENCE: We began our last unit of Science this week on the Earth, Moon, and Stars. We learned about gravity and how Earth isn't the only thing that has gravity.</p> <p>MATH: This week we began Unit 7. We reviewed dividing fractions and we learned two different ways to multiply with mixed numbers. Just as a reminder students do have notes on every topic in their Math notebook that they can bring home to use for homework assignments. Next week we will be classifying 2-D shapes.</p>
<p>Mrs. Sieger: ELA</p> <p>Next week in ReadyGEN, we will complete Real Life Superheroes and take the selection test on Thursday, May 5th. We are continuing to fine tune our essays. Our spelling list is #29 Related Words. That test will be on Friday, May 6th. Even though Poetry month officially ends this weekend, we will continue to work on our Poetry Interactive Notebooks through May.</p> <p>**Please check that your child has working headphones. We use them almost every day. Thank you!</p>	<p>Mrs. Worden: ELA</p> <p>In reading, we will be reading The Great Migration in ReadyGen. We will be working on reading through our reading group novels and doing center work. I am continuing writing conferences with students. In spelling, we will be on List 29, Related Words. Students should study nightly for our test on Friday, May 6. We will continue Foundational Skills and Grammar lessons as well. I hope everyone has a great weekend!</p>
<p>Mrs. Berwanger</p> <p>We are continuing to work on our Science books-Unit 3 "Changes in Matter." We spent this past week having a solid understanding of the three states of matter. We will continue to work on Lesson 2-Why are materials different? And hopefully start lesson 3 by the end of the week. Because students are allowed to highlight and annotate in the workbook, the best way to review for lesson tests is by using the book to review.</p>	<p>Mr. Mitrovic</p> <p>ELA - We are continuing to work through our iLit curriculum based on the novel "Frindle," as well as working on ReadLive and focusing on expression and phrasing.</p> <p>MATH - We are combining our knowledge of decimals and fractions to continue working on rounding, reducing, and moving back and forth between decimals and fractions.</p>
