Technology Help

If you experience any technology issues, please email

tech-help@nlsd122.org.

*Sometimes just rebooting your iPad fixes small issues!

Looking Ahead:

ABCs of the last days of school - information on the last page of newsletter!

School Supplies

Students are already running low on some essential school supplies. Students are coming to class without pencils and spiral notebooks. Please check with your student about what supplies they are missing.

Block 1-2 Business Project
Wednesday 5/9 9:00-10:00

Mr. Pacholski

Math -

Last week - Tested out of angles unit.

Next week - We will starting a data unit next week.

\

Science - Starting Science -

Waves Unit- we will be having an open note/book test next week.

Mrs. Mulder

Math Block 3:

Topic 8 part 2 test is scheduled for Monday, May, 16. We will finish the week with a STEM project consisting of building a bridge.

Math Blocks 1, 2, & 4:

We will be completing topic 8 with a data project. This project will be completed in class.

Students have access to IXL, to practice skills at home. Please continue to check Power School as I update grades daily.

Mrs. Maguire's News You Can Use May 16-20

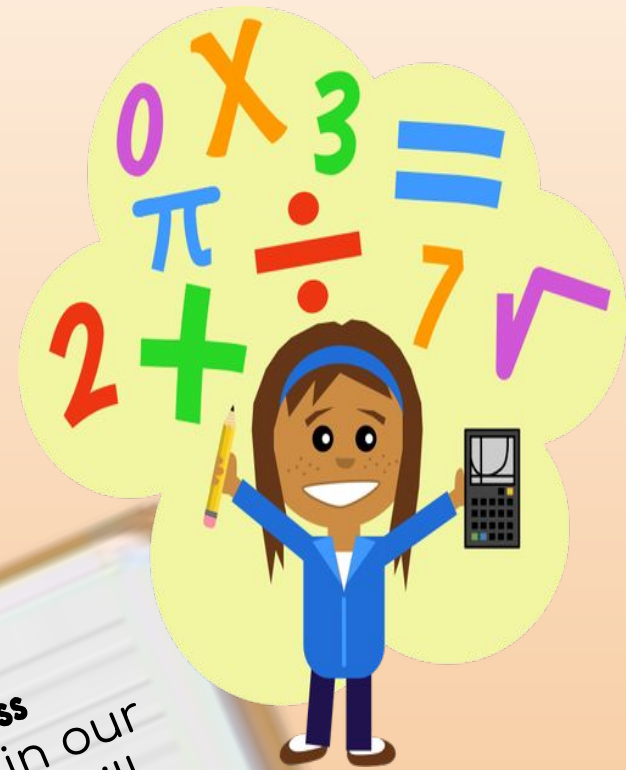

**Mrs. Berwanger's Science/Social
Studies Class**

We will test on Lesson 3
Monday! For the
remainder of the school
year, we will try to power
through Unit 3 and get
most completed. Monday
will be our last test,
however, we will still
continue to work on a
variety of activities for
credit.

Mrs. Berwanger's Math Class

We will continue to work in our
Everyday math book. We will
continue to work towards our
goals. Students are also
practicing multiplication or
Division using Rocket Math.
Students are continuing to work
hard as a group with fractions.
Additional practice at home is
very helpful. They spent all last
week focusing what it looks like
when finding a fraction of a
fraction. They were extremely
surprised and excited to see how
it led in to multiplying fractions.

Instructional ELA

Students have access to leveled stories through the Learning A-Z app. They can choose a short story to read for homework every night.

Mrs. Deckinga's Instructional ELA Class

This week we finished reading *Kids on Strike*, our last novel of the school year. Students worked on their sequencing and summarizing skills as they paraphrased the different events in the story. Student also worked through the writing process from brainstorming through writing a final draft of a sequencing paragraph.

Oakview ABC Days of School
