Mr. Cavazos

Hello Parents,

Homeroom Students:

Math - We worked on reviewing the steps of traditional long division

Science - We looked at how earthquakes and volcanoes are found along the fault lines of the Earth's Surface.

Afternoon Students (English Language Arts)

This past week we read the story "Coyote School News"

Spelling List #27: misplace, nonsense, repay, repack, misfortune, remove, precook, nonstop, recover, reseal, misbehavior, reunion, nonfiction, rebound, prejudge, readjust, misprint, nonprofit, nonstick, precaution

Have a good weekend!
Mr. Cavazos

Mrs. Lane

Mrs. Lane's 4th

Instructional ELA: We just completed A Strong Right Arm. In this unit, we focused on our essential question, *What connects us to our family and our friends?* Homework is completed in class. Students can work on ixl.com for English Language Arts or read a book at home to keep up with fluency skills.

nlane@nlsd122.org

Mrs. Lane's 4th

Instructional Math: We will continue working out of the EveryDay Math curriculum at the student's individual level, to meet IEP goals. Students will also be progress monitored to collect data for their individual IEP goals. We will use ixl.com and reflex math as interventions. I would encourage ixl.com, math or reflex math at home, to keep up with skills.

Mrs. Berwanger

Science/Social Studies

We will test on Lesson 3 Monday! For the remainder of the school year, we will try to power through Unit 3 and get most completed. Monday will be our last test, however, we will still continue to work on a variety of activities for credit.
