A student's grade in this ensemble is a combination of classwork and graded performances. Performance attendance is required for students choosing to take an ensemble class. Please mark these performance dates on your family calendar and plan ahead for scheduling and transportation needs.

Absences affect the overall quality of the ensemble's performance. If a student must miss a performance due to unforeseen circumstances (serious illness, death in the family) he or she will be given the opportunity to redeem the performance grade through an alternate assignment upon returning to school.

If a student has a conflict with a performance that is unavoidable, a parent must contact the director no later than 3 weeks before the performance to discuss an alternative assignment for the student. The assignment will take approximately the same amount of time as the performance that was missed.

Thank you in advance for your dedication and hard work! We're going to have a great year together!
