Absences affect the overall quality of the ensemble's performance. Since there are many instances where only one person is playing a certain part, absences greatly affect the entire ensemble. If a student has a conflict with a performance that is unavoidable, a parent must contact Mrs. Clark no later than 3 weeks before, so the director and other students can properly prepare for the absence.

Thank you in advance for your dedication and hard work! We're going to have a great year together!
