

Liberty Symphonic Band

Sectional Schedule 2019-2020

The Liberty Symphonic Band members will rehearse in small groups on **FRIDAYS**. Come to one of the following times per week:

8:35-9:05

9:05-9:35

9:39-10:09

10:09-10:39

10:43-11:13 (7th Graders will eat lunch in the band room when sectionals are over)

11:48-12:18 (8th Graders will eat lunch in the band room when sectionals are over)

Students should ask their teacher if they can go to sectionals at the BEGINNING of the class period. Please show your sectional pass to your teacher. (Sectional passes should be clipped to your assignment notebook. If you misplace your sectional pass, please print a new one through Google Classroom). Then watch the clock and come to the band room a few minutes before the times listed above.

If you miss sectionals, please see Mrs. Clark. Remember - everyone should attend sectionals each week. Each grade has a sectional time offered during advisory/lunch, so it should be easy for you to attend! A great idea is to take a few minutes and mark the sectional dates/times in your assignment notebook. That way, when you open it up for your other classes, you will see a reminder to attend sectionals!

Please bring your instrument, any sheet music that Mrs. Clark gives you throughout the year, a pencil, and any instrument accessories you might need (reeds, valve oil, drum sticks/mallets, etc.).

<u>August</u>	<u>October</u>	<u>December</u>	<u>February</u>	<u>April</u>
