Day and Residential Camps

July 6-10, 12-17 and 19-24

A week on our college campus can be a life-changing experience.

At our camps, you'll:

- Learn from NIU faculty.
- Discover majors and career pathways.
- Connect with college-bound peers who share your interests.
- Gain hands-on experience in the labs, classrooms and maker spaces of a large research university.

Topics include:

- Science Detectives: Forensic Analysis
- Health and Medicine Careers
- Monster Makers: Frankenstein, Texts and Technology
- 3D Design and Prototyping
- Film Production
- Physics Careers
- Speech and Debate
- And more!

We have camps for all ages!
