Having a strong desire for money, Scrooge became an industrious businessman. Even with the great example Fezzwig set as boss, Scrooge never tried to imitate his style. As people attempted to deplete Christmas spirit in Scrooge's counting house, Scrooge welcomed their attempts with a "Bah humbug!"

People on all sides of the JFK assassination theories claim they can confirm their theories. Some theories seem to be more of a guess without sufficient evidence, but some researchers have obtained plausible theories through cursory research.

People tend to not have a joyful mood when a business is proven to use trickery in their pricing of goods or services. This untrustworthy practice is more common in other countries where there aren't many policies in place to protect the customers. This causes people to feel discouraged when dealing with unknown businesses and if there's an suspicion of trickery, customers should be very careless.
