MESSAGE FROM THE SUPERINTENDENT

February 23, 2026

Dear NLSD122 Families,

February has been an extremely busy and exciting month across the District! We kicked things off by celebrating the 100th day of school and are wrapping up the month with the exciting announcement of the 2027–2028 implementation of full-day kindergarten. There is so much to celebrate, and so many wonderful things happening in this great district. Below are a few additional updates to share:

- **Zonar MyView Transportation App:** New Lenox School District 122 is excited to announce the upcoming implementation of the Zonar MyView app, a new transportation communication tool for families who ride LW210 transportation. (Please note, this is a LW210 tool and is not applicable for students taking LW843 transportation.) Later this week, families will receive step-by-step instructions for downloading and setting up the app. Zonar MyView allows parents and caretakers to receive notifications about bus location based on parent-established zones, as well as optional alerts when the bus arrives at and departs from school. The app will also be used by LW210 Transportation to communicate delays or route changes, while the District will continue to send messages when appropriate. A dedicated support email will be provided to assist families. Student bus routes will be matched using each child's New Lenox School District 122 student ID number, and all information within the app is secure and password protected.
- **2026–2027 School Calendar:** The NLSD122 Board of Education has approved the 2026–2027 school calendar. Please click here to view the official ['26–'27 school calendar](#).
- **February Board of Education Highlights:** Click here to view the latest [Board Blast](#), which highlights key events and recognitions from the February Board of Education meeting.
- **Drawing Board Art League:** We are incredibly proud of our art programs across the District. Recent Board meetings have featured talented student artists through the “122 Drawing Board Art League.” Be sure to check out this short video featuring this month's outstanding artists from Cherry Hill and Spencer Trail: [Drawing Board Art League Video](#).

Thank you for your continued partnership and support. We are grateful for our NLSD122 families and look forward to the many exciting opportunities still ahead this school year!

Sincerely,

Lori Motech
