- See Saw will be assigned at 8:30 for AM and at 12:30 for PM starting on September 14. Please do NOT work ahead. These assignments are meant to be completed during our sessions.
- blank paper, crayons, art bag

LEARNING FOCUS

ELA- We will be learning about the letters "Ss" and "Aa."

Math- We will learn about length - longer/shorter, shapes, and number sequence.

Science- We will be talking about germs and how important it is to wash our hands.

S.S. - We will be talking about community workers and the view out our windows.

Handwriting Without Tears- This week we will be practicing what a great writer looks like and practicing a proper pencil grasp. Students will practice forming the letters Ss and Aa with their handwriting pieces, playdoh, crayons and dry erase envelopes!

SEL- We have been learning how to listen with our Whole Body and will continue to learn how to be a good virtual learner and friend.

Technology- We are getting into SeeSaw starting on September 14th. Please look for a detailed email from your teacher about what you can do at home to best prepare for this exciting addition!

Heggerty- Students are learning to manipulate and 'play' with words and sounds by using coordinated hand, body, and voice movements.

ReadyGen- We will begin reading our first story, "Where is Home, Little Pip?"

Journals- We will begin working in our September journals and reviewing what it looks like to be a good writer.
