

# SEPTEMBER NEWS

## A note from the teacher- See saw

Please make sure to check Seesaw daily for activities for your child to complete. We are beginning to work on seesaw during class so your child becomes familiar with the different tools. Please allow your child to complete the work themselves. Thank you!

## Events

9/21 Return to Learn option due in Powerschool by noon today - Thanks!!!

9/30 Midterm

## Reminders

### Things you will need this week

**Please have scratch paper readily available. We use it often!**

**Also work on making sure your student knows where to find their supplies. This helps to foster their independence. Having things where they may need to get up is a good thing. It helps them to move.**

**Wear GREEN on Thursday**

## Learning Focus

**ELA**-We will be learning about the letters "Tt" and "Ii."

**Math**-We will be getting to know numbers this week through a variety of different activities such as graphs, number games, and identifying different ways to represent a number.

**Science**- We will continue to talk about germs and washing our hands.

**S.S.**- We will talk about animal homes out our window and life in the desert and tundra

**Handwriting Without Tears**-We will practice printing the letters Tt and Ii! We will also work on printing our first name and use the letters we have learned to create and print words.

**SEL**-We will be learning about Responsibility all week and wearing green on Thursday to celebrate our very first pillar for character counts.

**Technology**- We will continue to use SeeSaw daily to gain independence. Thanks for the at home help, patience, and support!

**Heggerty**-Over the next weeks, I'll share cues your child is learning in Heggerty phonemic awareness. Rhyming: "Rhyming words sound the same at the end! The where? The end!"

**ReadyGen**- We will continue discussing Where is Home, Little Pip? We will focus on sequencing, characters, and using their own words to retell the story.

**Journals**-We will continue to work in our journals using our letters and sounds to help us.
