

Please follow the procedure for car rider drop off and pick up. This will consist of stadium style parking. All cars will pull in creating 2 rows in the four lanes and **turn off your vehicle.** For drop off, once teachers open the door of the building, students can exit their cars and parents walk them to the sidewalk. Parents will immediately head back to their cars. We want to make this as quick, safe and efficient as possible. All cars will be dismissed by teachers one row at a time once students are cleared of the area. For pick up please do the same parking, shut off your vehicle and come to the door. Children will be released to each person one at a time. Please hold up your sign and have your license. Please remain six feet from others and have on a mask. Please be patient. **Please do not park in parking spots.**
