A Note from the Teacher

Hello Everyone!

The kids and I continued to have wonderful days together during the first full week of school. We have been working on sticking to our schedule, practicing on Seesaw, doing homework, and we were able to go to the library this week. The students will begin checking out library books next week. We also practiced a weather drill and a fire drill. Next, I am thrilled to say that the kids have received several class compliments from other teachers and staff members! On Friday, Mrs. Willey, our school social worker, came in to introduce herself and the character lessons she will be providing each month. Finally, I want to thank those of you who were able to attend the Virtual Expectation Night. As always, feel free to reach out to me with any questions or concerns that come up along the way.

Sincerely,

Ms. Eaker
