

NOVA QUARTER HORSES

LITTLE Buckaroos

Little Buckaroos is for one adult and up to 2 children. Little Buckaroos is geared toward ages 5 and under. Each child will have the opportunity to tour the barn, meet our gentle horses, and feed them some apples and carrots. Then each child will go for a lead line ride. They will sit in the saddle while a Nova staff member leads the horse around the arena. This is a great introduction to horses for your little ones!
