

Noteworthy News

From the desk of Ms. Eaker

For the week of October 18th to October 22nd, 2021

Reading - This week, we will move from fiction to nonfiction texts as we read "The Moon Seems to Change". Our reading skills include main ideas vs. details and obtaining information from illustrations.

Phonics - Our phonics skill this week remains long e, long a, and long o vowel digraph patterns.

Grammar - Our grammar skills are working with nouns as subjects and subject/verb agreement in the past-tense.

Writing - We will begin to practice nonfiction writing this week as we focus on conveying ideas and information, learning about the various genres, and using illustrations to add information.

Math - The Unit 3 skills for this week include finding missing numbers and rules in "What's My Rule?" tables and estimating costs. *Please check your child's folder for the Unit 3 Family Letter on Monday.*

Science - We will begin Lesson 3: How Environments can Change. We will examine fast changing environments as well as how engineers can change environments.

Upcoming Events/Reminders

1. Monday, 10/18-Bears/Packers Day: Wear your favorite team's jersey
2. Tuesday, 10/19-Prairie Pumpkin Patch Day): Remember to dress for the weather

Specials Schedule

Monday – Art
Tuesday – P.E.
Wednesday – Art
Thursday – P.E. & LRC
Friday – Art

A Note from the Teacher

Hello Everyone! Despite missing out on the pumpkin fun this week, all is well on Team Eaker! We had a visit from Officer Kristine about Halloween Safety, completed ReadyGen module 1A, finished Unit 2 in math, and Lesson 2 in social studies. Please look for your child's Fall Aims report in his/her take home folder. It was sent today, 10/15. The letter explaining the report was sent from Dr. Cucci via email. The Prairie Pumpkin Patch Day will now be held on Tuesday, 10/19 (no worries-the pumpkins have arrived!). Enjoy the cool autumn weather this weekend!

Sincerely,

Kelly Eaker
