## NOTE FROM MS. ZASTRO

*Happy March, Bentley families!*

*We are excited to welcome in the spring season so we can get outside some more and enjoy the warmer weather. We will try to get outside for PE as much as possible so please be sure to send your child with a coat. We also go outside everyday for recess after lunch.*

*As a reminder, we are sending attendance letters home to families regarding absences and tardies. We are making parents aware of absences and tardies at the following intervals:*

*8 days absent - Letter #1*

*13 days absent - Letter #2*

*18 days of absences - Letter #3 and scheduled meeting*

*Spring Break begins April 3 and students return to school April 10. We are hoping everyone has a great spring break!*

We are selling ice cream in the lunchroom on Wednesdays for \$1.00.

### BENTLEY FUNDRAISER

We are excited to start a fundraiser that will last into the Spring 2023.

Schoolstore.com is a way friends and family can earn money for Bentley while they shop for wrapping paper, magazines, popcorn, cookbooks and more. Shop online at over 400 major merchants for Bentley to earn a small percentage. Attached is a letter that was sent home with your student explaining this fundraiser.

## NOTES FROM OUR NURSE

 Academy of Nutrition  
and Dietetics

March is National Nutrition Month! The theme for this year is "Fuel for the Future." Eating with sustainability in mind is a tasty way to nourish ourselves during every phase of life and protect the environment. Here are some tips for healthy habits.

- ☐ Eat Breakfast: Start your day with a healthy breakfast that includes lean protein, whole grains, fruits and vegetables.
- ☐ Watch Portion Sizes: Use half your plate for fruits and vegetables and the other half for grains and lean protein foods. Complete the meal with a serving of fat-free or low-fat milk or yogurt.
- ☐ Be Active: Regular physical activity has many health benefits. Start by doing what exercise you can. Children and teens should get 60 or more minutes of physical activity per day.
- ☐ Family Meal Time: Plan to eat as a family at least a few times each week. Set a regular mealtime. Turn off the TV, phones and other electronic devices to encourage mealtime talk. Get kids involved in meal planning and cooking and use this time to teach them about good nutrition.
- ☐ Explore New Foods and Flavor: Add more nutrition and eating pleasure by expanding your range of food choices. When shopping, make a point of selecting a fruit, vegetable or whole grain that's new to you or your family.

## NOTES FROM OUR LRC

I would like to give a huge THANK YOU for everyone who shopped at the book fair! It was the most successful fair that I have had since coming to Bentley seven years ago! And thank you to everyone who donated their dollars and spare change to All for Books. Even by just rounding up your change we were able to get new books for the Library!

### What's Happening in the LRC in March

Battle of the Books begins March 6 - Students are super excited for the 2023 Battle of the Books! Although I tried to keep the books a secret until then, the titles have found a way to get out! Here are the books for this year's battle:

- *How to Steal a Dog* by Barbara O'Connor
- *The Lion of Mars* by Jennifer L. Holm
- *Lucy and Andy Neanderthal* by Jeffrey Brown
- *Slacker* by Gordon Korman

Students will receive all of the information about the program and will be able to register starting on March 6. (\*This program is optional.)

The Field Museum Field Trip that Came to the School - Early last month I brought to the library a taxidermy squirrel and various other animals from the Harris Learning Collection at The Field Museum Chicago. Later in the month, students were able to "observe" casts of a tooth and claw from Sue the T-rex. I also brought an Eastern Cottontail Rabbit and various winter birds for them to observe and comment on. These mini-exhibit lessons start out our unit on Primary Source Research.

New Science Books - I am super excited to be able to purchase \$1500 worth of new science and technology books for the Bentley Library! I received this "Feed the Need" grant from the organization Library Book Selection Service with the help of the Association for Illinois School Library Educators (AISLE). Students can look forward to reading new books on coding, biomes, food chains, engineering, astronomy, and much more. Several of the books also allow access to an online/interactive version. These books will be great additions to our library collection!

Happy March! Mrs. Drews

## PE NEWS

In February we finished up our floor hockey unit, completed our jump rope unit, and had an awesome "cardio day" playing "We Did It/Race to Three". Our 4th graders also had the opportunity to participate in 4th Grade Basketball Club. Congratulations to our club champs: Caleb, Greyson, Hunter, Jackson, & Cam! As we move into March we will be beginning our Volleyball Unit. Here is the rest of February in pictures...

Hello Parents,

This year we are partnering with SchoolStore.com to raise funds for essential tools our students and teachers need to succeed. SchoolStore's program is 100% online so there is no selling or handling of money or products. Your participation is easy with no more than 12 minutes of your time required, and there is a nice prize program available to make this a fun experience.

**Here is all you need to do for our program to succeed.**

1. Scan the QR code or go to schoolstore.net and sign up using our school ID: **176678**
2. Send form emails inviting family, friends, and co-workers to support your student.
3. **Return the Envelope with the Student Prize Code for your child to get their really fun participation prize.**

**Here are three ways your family, friends, and co-workers can help our school.**

1. Make a 100% tax-deductible donation to your child's classroom with the purchase of a CaringForClassrooms.org gift card for your child's teacher to use for classroom supplies and equipment.
2. Shop online at The Family Book Store for wrapping paper, magazines, popcorn, cookbooks and more. We earn up to 50% of their purchase.
3. Shop online with over 400 major merchants like Walmart, Kohl's, Best Buy, Disney, and more. We earn a small percentage of their purchase.

With a few minutes of your time, SchoolStore is the easiest and safest way for our teachers and school to earn money for materials to enhance your child's education.

**Thank you so very much for your participation.**

### Illinois 5Essentials Survey

Beginning **January 24**, students and teachers across Illinois will have an opportunity to participate in the eleventh annual statewide Illinois 5Essentials Survey. This survey is designed to generate a detailed picture of the inner workings of your child's school. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness in a survey about your child's school.

On behalf of the Illinois State Board of Education, the Illinois 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Prior research in more than 400 schools has shown that schools that were strong on at least three of these "5Essentials" indicators were 10 times more likely to improve student learning gains in math and reading than those that were weak on three or more Essentials.

All teachers and **4<sup>th</sup> through 8<sup>th</sup> grade students** will be responding to this survey. 5Essentials Reports will be generated for schools if their teachers and/or students meet the response rate threshold of 50 percent. These reports will be sent to schools and districts in May 2023 and will also be included in the State School Report Card.

Additionally, your district has chosen to provide the optional Parent survey supplement. If at least 20 percent of parents complete this survey, a parent supplement report will also be generated. The parent data will not be reported on the State Report Card.

Your participation in the parent portion of the survey will help us understand the conditions at your child's school and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.

The Illinois 5Essentials Survey for students and teachers will be conducted January 24, 2023 through March 31, 2023. The Parent Survey Supplement will be conducted during that same timeframe. To take the survey please visit <https://survey.5-essentials.org/illinois/> and select the appropriate survey to begin.

For more information about the Illinois 5Essentials Survey, or to view previous years' Reports, please visit <https://www.5-essentials.org/illinois>. If you have any questions or concerns, please contact UChicago Impact Client Services at 1-866-440-1874 or [impact-surveys@uchicago.edu](mailto:impact-surveys@uchicago.edu).
