Welcome back, Bentley families!

We had a wonderful start to the 2023/2024 school year. The children did an excellent job of navigating through these first few weeks. We are so proud of them! Our theme this year is *Peace and Love at Bentley School*. We are delighted to be working and learning together.

We are excited to be offering a variety of after school clubs again this year. A chart with all of our available clubs is included in this newsletter. Club sponsors take attendance at every meeting. **If your child is NOT going to attend their club after school, please be sure to either let the club sponsor know of the absence or call the office to inform us.** If your child does not come to their club and we have no prior notice of their absence, our school secretary will need to contact you to verify their absence. Thank you for your help with this.

If you are interested in ordering Bentley spiritwear, our online store is open. Be sure to visit <https://bentleygear.itemorder.com/> to place your order. The order deadline is September 28 and the spiritwear will be sent home with your child the week of October 12th.

## NOTES FROM OUR NURSE

Welcome back, Bentley! I am so excited for the new school year!

**6th grade families:** A physical exam on the State of Illinois Certificate of Child Health Examination form with immunizations and dental exam are due this year. Please note that one of the required immunizations, meningococcal conjugate, must be given after the child's 11th birthday.

If your child received their physical before their 11th birthday, another appointment will need to be made to obtain the vaccine.

Please note that if you turned in a sports physical for your 6th grader, a physical on the State of Illinois form is also needed. A copy of that form can be found here:

## NOTES FROM OUR LRC

**Mrs. Kathleen Drews, Librarian**

I am so glad to be with my friends at Bentley School again this year! This is my eighth year at Bentley and Nelson Ridge Schools and my 23rd year in the New Lenox School District! I'm looking forward to seeing your children in the library this school year!

Another fact about me is that I am a Field Ambassador for the Field Museum in Chicago. As a Field Ambassador, I am able to attend special educator programs and bring the museum back to my students. This includes bringing small exhibit cases of a variety of museum artifacts to school. Students always enjoy working with these museum items.

### Overview of School Year:

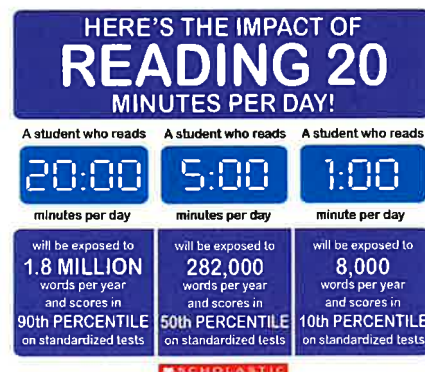

I am excited to let you know that we will be having TWO book fairs this school year! There will be a 2-day Fall book fair in the middle of October, and our regular Spring book fair will be in February. Look for information about the October fair coming soon!

There are several ways students can participate in library activities during the school year:

- Library Lions Club - Students who enjoy reading, discussing books, and working in the library are encouraged to join. This club meets every other Tuesday after school starting the end of September.
- Illinois Children's Choice Award Programs - Students are encouraged to read books from the Illinois Bluestem Award (for grades 3-5) and Rebecca Caudill Award (grades 4-8) programs. These programs go until the end of February and involve a list of 48 fantastic books. Students who read at least 3 will get the chance to vote on their favorite.
- Star Reader - Students fill out a monthly reading log (5 hours total) to earn a small prize.
- Battle of the Books - Teams of students read 4 selected books and get quizzed on them to see which team knows them the best.

### Importance of Reading to Children

I am currently taking a class on reading with children, especially reading aloud. Each month I will give information on the importance and benefits of reading aloud to your children (no matter what age) and give suggestions of good read-alouds. For this month, here is a chart about the impact of reading 20 minutes each day.

Have a great September! Mrs. Kathy Drews

### VOLUNTEERS

If you would like to volunteer at Bentley School, please visit our Bentley School website to sign up. We are looking for library helpers, office copy parents, book fair helpers, Field Day helpers (May) and special events/projects( Halloween and Holiday parties). After filling out the form online we will contact you when needed.

# Keeping Fit in P.E. with Mr. B

## PE NEWS

Welcome Back! I'm looking forward to another fun year in PE!!!

### Win an Extra PE... "Being Active" Pictures

Students are encouraged to bring in pictures, of themselves or of them and their families, of things they do to stay active outside of school. We will display these pictures on the bulletin board outside of the gym. Students bringing in pictures will be entered into a drawing for an opportunity to win an extra PE class for their classroom.

## CLUBS

Permission slips for Kickball Club and Running & Fitness Club are available outside the main office. Kickball will run on Tues/Thurs from 9/5 - 10/3, while Running & Fitness Club will meet on Mon/Wed 9/11 - 10/11. Both clubs will meet after school until 3:05. Permission slips for Kickball club are due 9/2 & Running & Fitness Club forms are due 9/6. See the club forms for additional information. Due to the high turnout, no late slips can be accepted.

## PE SHOES

Please remember to wear or pack your PE shoes on PE day.

**MR. BOERSMA/PE TEACHER** [jboersma@nlsd122.org](mailto:jboersma@nlsd122.org)

Parents/Guardians,

During our school year, we will practice drills for fire, shelter (weather), and lock down. The purpose of these drills is to prepare our students and staff to respond in the unlikely event of an emergency situation.

The following are the talking points our staff use with our intermediate aged students in regard to a lockdown **drill**. An announcement is made clearly indicating that this is a drill only and teachers prepare their class prior to the drill.

The first and most important step in any drill is **STOP... LISTEN to your teacher.**

## LOCKDOWN

**"Locks, Lights, Out of Sight"**

**Students** are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

**Adults and staff** are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

In addition to the information above, teachers discuss **Run, Hide, Fight** options with students. Student training includes the hide only option. Staff discuss with students what to do if they are in various locations that include run, hide, and fight options (ex: bathroom, hallway, gym, playground).

RUN

HIDE

FIGHT

Your support in discussing these points with your child at home is greatly appreciated.
