

FIRST TRIMESTER LJHS ACADEMIC ALL-STARS 2024-2025

The Academic All-Star Award is given in the middle of each trimester to outstanding seventh and eighth grade students by each department at LJHS. The award represents much more than a grade point average. Academic All-Stars are tops in **effort, attitude, service to others, and interest in their subject area**. They serve as **models of commitment** for the rest of the student body.
