Notice of School Closing

Families will be notified of a school closing the same ways they have been notified in the past (email, call, website posting, news and radio channels).

Guidelines for Student Assignments

- The assigned work for each grade level will be posted in Seesaw or Google Classroom.
- 2.5 hours of synchronous instruction and 2.5 asynchronous instruction will be provided for students in grades 1-8. Up to 1 hour of synchronous instruction and 1.5 asynchronous instruction will be provided to Pre-K and kindergartners in a half day program.
- Teachers will share the expectations with students.
- Students will be assigned activities that they can complete independently.
- Parents are not expected to be the teacher on E-Learning Days.
- The lessons created will be meaningful, meet the IL Learning Standards, and support classroom skills and instruction.
- Work will be verified via online tools and attendance during online meetings (Google Meet).

Technology Access

- Students in PreK-Kindergarten access with home devices or request a school device. Paper copies of work will be provided.
- Students in Grades 1-8 have a District issued device.
- Digital Curriculum and Subscriptions will be used.
- Online Meeting Platform will be used. Currently, Google Meets is the platform being used.

Student Assignment Support

- Live instruction will be provided.
- Teachers will be available throughout the day via email, Seesaw, and Google Classroom.
- The E-Learning experience provides flexibility for both students and staff.
- Any additional assistance will be provided when the student(s) returns to school.
