

ADOPT A CAMPER

Join us in making a lasting impact - one camper at a time!

The Adopt-A-Camper Program is more than a donation-it's an investment in a child's future! This program lets children enjoy summer camp activities like swimming, nature exploration, sports, gymnastics, crafts, music, STEM, and exciting field trips. Camps are open to children ages 4 to 13, providing a safe and positive environment where they can grow, thrive, and build self-confidence alongside their peers.

Your support directly helps a camper, offering you the chance to make a real impact, as many children could not attend camp without the generosity of donors. Donations of any size are deeply appreciated and can come from individuals, clubs, or businesses. As a donor, you can choose to remain anonymous or be publicly recognized.

At the end of the summer, you'll receive a picture of your camper along with a letter of thanks and gratitude. Donors are also recognized in our Annual Report, on Facebook, and in our Program Guide-unless you choose to remain anonymous.
