Morning rehearsals are the large group rehearsals, everyone playing all together. Playing in a large group is what being a part of band is all about! It is very important that your student comes to every morning rehearsal. Playing in a large group takes a lot of skill and practice. We will perform 2 concerts throughout the school year demonstrating our skills, playing in a large group.

Practicing at home, regular sectional attendance (small group lessons) and parent encouragement are other very important keys to success in band. Please feel free to contact me with any questions about how to help your student succeed!
