MESSAGE FROM THE SUPERINTENDENT

January 22, 2026

Dear NLSD122 Students and Families,

Due to the anticipated inclement weather, NLSD122 will be closed for in-person learning on Friday, January 23, 2026 and we will be implementing an E-Learning day. While making the decision to shift to E-Learning in advance is never easy, the safety of our students, staff, and families remains our highest priority.

Please take note of the following E-Learning day reminders to help ensure a smooth transition:

- **Attendance:** If your child is absent, please follow the standard procedure for notifying the school. Classroom attendance will be taken and submitted for each class period at the end of class. As a reminder, Google Meet logs each student's sign in and sign out times. We strongly encourage students to engage in online learning for a more interactive and enriching experience.
- **E-Learning Reference Document:** Please select your child's grade level for information on accessing the E-Learning meetings.
 - [Emergency Day Login Information for Families Cherry Hill & Trail](#)
 - [Emergency Day Login Information for Families 1-3](#)
 - [Emergency Day Login Information for Families 4-8](#)
- **Accessing Alternative E-Learning Activities:** If online participation is not possible, students may complete an E-Learning paper packet. Here are the [Alternative E-Learning Activities](#). Completion and submission of these materials are required for attendance if online participation is not possible.
- **iPads:** If your child brings home an iPad, please ensure it is charged and returned to school with its charging cord and brick when in-person classes resume.
- **Park District ACES & Trailblazers Program:** Park District ACES & Trailblazers will provide all-day care and help support E-Learning at the Lions Community Center (1 Manor Dr., New Lenox – Entry C) from 6:30am–6:30pm. This program is only available to families currently enrolled in ACES or Trailblazers. Participants must bring all equipment needed for E-Learning, and while Park District staff will assist, students must be able to navigate their iPad independently and sit through online learning, as staff will be helping multiple children throughout the day. If the Park District cancels, updates will be posted on Facebook and the Park District website, and an email will be sent to ACES/Traillblazers families by 6:00am. Additional fees may apply—visit www.newlenoxparks.org for details.

We greatly appreciate your support in helping our students continue their education during this weather-related disruption.

Sincerely,

Lori R. Motsch, Ed.D
Superintendent
