Margaret M. Manville, Ed.D., Superintendent

Fall, 2019

Dear Parents,

Your child has been identified as an English Learner (EL) according to the criteria established by the Illinois State Board of Education. Children are identified as this type of learner if English is not the primary language in the home. As an EL student, New Lenox School District 122 is able to provide additional services for your student in the area of English language acquisition. These services will be provided by our English Learner teacher, Anita Alvarez. Mrs. Alvarez works with children individually, in small group, and also in their regular classrooms.

Attached is a parent permission form indicating that you are aware of the program and that you are providing consent for these additional services. Please fill out the form and return it to your student's classroom teacher.

If you have any questions, please contact Mrs. Alvarez at 815-462-7951.

Sincerely,

Dr. Marianne Cucci, Ed.D
Director of Curriculum and Instruction
