HEALTHY EATING CONTRIBUTES TO EVERY ASPECT OF A CHILD'S LIFE.

Every day, more and more statistics are released that stress the importance of proper nutritional alternatives for school kids of all ages. At Hershey's® Ice Cream, we fully understand the challenges faced by all schools to provide tasty options that satisfy nutritional guidelines, but also products that will sell and provide a good profit opportunity for schools as well. Our complete program does that.

HERSHEY'S® HELPING YOUR YOUTH AND YOUR SCHOOL.

The Smart Snacks in School nutrition standards support better health for our kids and echo the good work already taking place in schools across the country. The USDA is committed to working closely with students, parents, school stakeholders and the food and beverage industries to implement the guidelines, and make the healthy choice the easy choice for America's young people.

Smart Snacks categories feature products that meet USDA Smart Snacks in Schools Guidelines, which the Alliance for a Healthier Generation has officially adopted, effective July 1, 2014.
