MESSAGE FROM THE SUPERINTENDENT

October 9, 2020

Dear NLSD Families,

It is hard to believe that today concludes the 2nd week of in-person instruction for our special education population and our last day of mandated remote learning. We are gearing up for full time in-person instruction as well as continuing with our awesome remote learning option. How exciting for our school community!

As a super friendly reminder, all students attending school in-person will be required to complete the daily self-certification. The self-certification will arrive in the email you have provided to us. If for some reason you are unable to access the self-certification, you can also access the form on PowerSchool, under "Pre-Visit Certification" or access the form on the District Website under the Return-to-Learn link.

On behalf of NLSD 122, I would like to personally thank you for pulling together this year. Below is a link to a video acknowledging the wonderful efforts put forth by all of you. I could not be prouder to serve this amazing school community!
