## MESSAGE FROM THE SUPERINTENDENT

April 22, 2022

Dear NLSD Families,

As we prepare to enter the month of May, there is a definite level of excitement across the District. Perhaps it is the ability to partake in events that have been postponed for two years. From Spring concerts to family fun nights, I have observed many joyful moments among our students and staff. We look forward to providing positive “end of the year activities” that we hope students and families will treasure for a lifetime! Please see the information below regarding updates and reminders for the remainder of the school year.

### Registration

We are beginning to roster classes for next school year. In order to do so, we ask our existing families to register as soon as possible. Registration for returning students is now open.

- Thank you to the New Lenox PTO and many families who donated to the PTO for the upcoming Staff Appreciation Week (May 2 – May 6). Please take a moment that week to thank our amazing staff.

Enjoy this special time of the school year!

Sincerely,
