## MESSAGE FROM THE SUPERINTENDENT

September 24, 2021

Dear NLSD Families,

With a little over one month underway, our students have transitioned into the school routine. I know this to be true as I have observed our K students confidently boarding buses this week and our Jr. High students opening lockers with ease. The success of our students is directly related to the home/school partnerships that have been established. Thank you for your support as we work together to provide the very best for our remarkable NLSD students! Kindly take a minute to read the NLSD updates listed below.
